The menu will be expanded upon/changed after the first season. We propose a 3% fee back to the City of Avon the first year. Cash and credit cards will be excepted. **Special Family Night Menus:** Certain nights, maybe Sundays, we will BBQ on site with side dishes and dessert included. Perhaps residents could prepurchase on the web site.

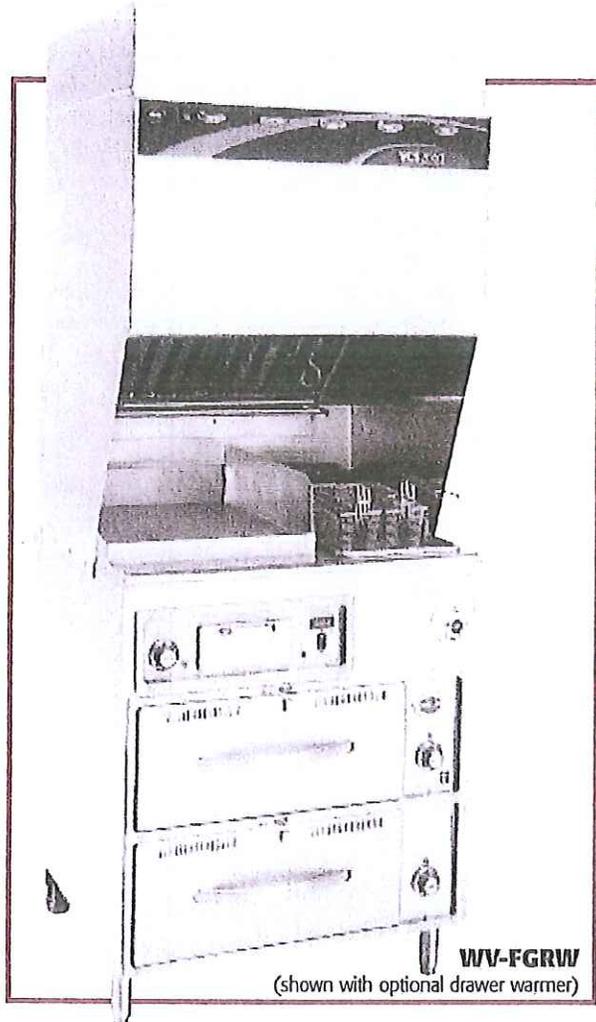

**Catering:**

If the Pavilion is not built this year; tents, tables, and chairs can be rented. 3% of the rental fee will go back to the city. When the pavilion is built, we suggest a rental be fee be charged and given to the city and 3% food and beverage revenues to the city. The Big Show Off premise catering prices will apply. The Big Show will purchase 6' grilles, chafing dishes, carts, etc. (approximately \$4,000 in equipment) The location will be cross marketed on our web site:  
[www.clevelandcatering.com](http://www.clevelandcatering.com).

**Summer Fun Series:** Set up some events that may include water volleyball, Marco Polo, Live Music, Teen Dance, School Grade Days, Family Fun Races bike parade, greased pig, laps, diving, pie eating, talent show), Ice cream Social, DOG DAYS (after last day)

**Contract:** The Big Show will carry proper property and liability insurance, pay health department license, payroll taxes, and sales tax on applicable items. We propose a three year contract.

# WV-FG, WV-2HG, WV-2HSG VENTLESS GRIDDLE/FRYER/COOKTOPS

The ventless hood gives you the flexibility to "set up shop" just about anywhere from malls, stadiums and high-rise buildings to basement kitchens and kiosks.

## Griddle (All Models)

- Griddle surface (17 1/4"W x 18 1/4"D) has enclosed **tubular elements** that provide even heat distribution.
- Griddle is controlled by a **positive-off thermostat** adjustable from 100°F to 400°F.
- Griddle features include a full-width **front grease trough**, an extra-large removable **front grease drawer** and a stainless steel **splashguard**.

## Fryer (WV-FG, WV-FGRW)

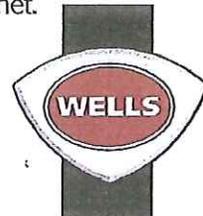

- Two half-size, rear hanging, interchangeable fry baskets are provided.
- Efficient heating element is flat, heavy-duty stainless steel.
- Fryer **on/off switch** is located in recessed front control panel.
- The **positive-off thermostat** controls the element allowing for adjustable and more consistent temperatures.
- The fryer has a **manual reset safety thermostat** that will shut off the heating element if an over-temperature condition is reached.
- Model WV-FGRW includes a Wells RW-26 **built-in standard double drawer warmer** that replaces lower storage cabinet.

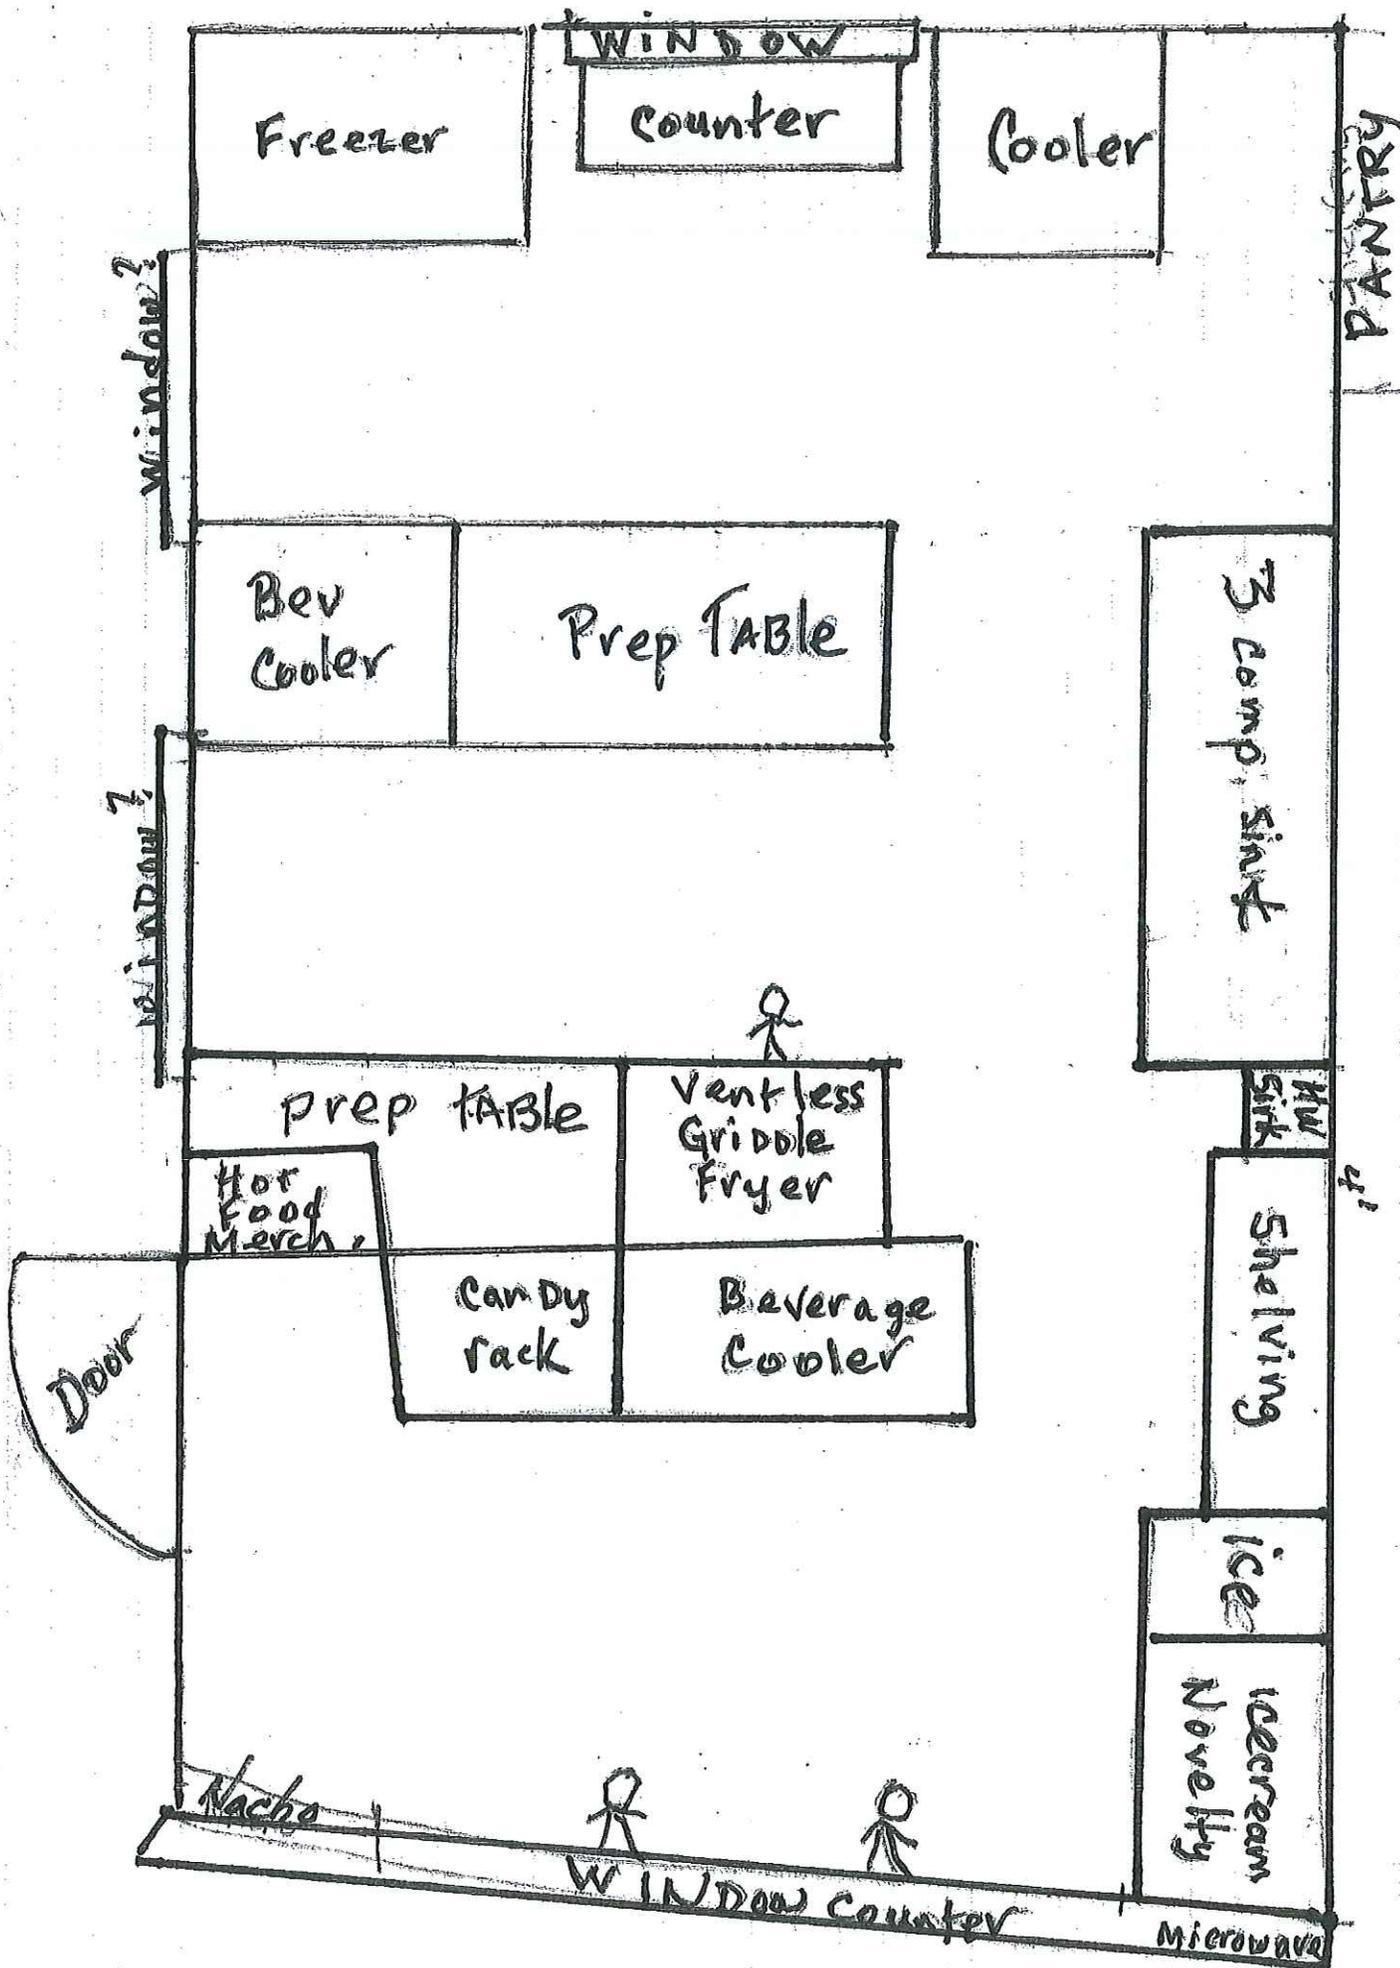

## Ventless Hood (All Models)

- **Ventless Hood System** exceeds EPA Standard 202 for the release of particulate matter.
- **Interlock System** will not allow heating elements to be energized if any of the filters are not in place.
- **Airflow Sensing System** continually monitors airflow through the filtration system, optimizing performance and grease removal.
- **Ansul® R-102 Fire Suppression System** is built into the ventless hood to provide ultimate protection.
- **Shatter-resistant interior light** for improved visibility.

## Cooktop (WV-2HG, WV-2HSG, WV-2HGRW, WV-2HSGRW)
