### FOR IMMEDIATE RELEASE:

The Avon Police Department is actively working with The Ohio State Highway Patrol (OSHP) who is investigating an early morning crash involving an Avon Police Department vehicle.

At approximately 2:40 am this morning, Patrolman Andy Kehl of the Avon Police Department radioed the station asking for a supervisor to respond to his location because he had been involved in an accident. This accident occurred on SR 83 between Kinzel Road and Falcon Crest Avenue and involved a second vehicle. Avon Police Supervisors arrived on scene and requested the assistance of The Ohio State Highway Patrol. The OSHP quickly arrived on scene and the investigation was turned over to them.

As a result of the crash, Patrolman Kehl was taken to St John Medical Center in Westlake as a precaution and the occupant of the other vehicle was transported to UH Avon Health Center also as a precaution. SR 83 was closed for approximately 2 hours while the scene was investigated and cleared.

Any inquiries about the investigation should be made to OSHP, Elyria Post #47.
