DATE: Wednesday, April 12, 2017

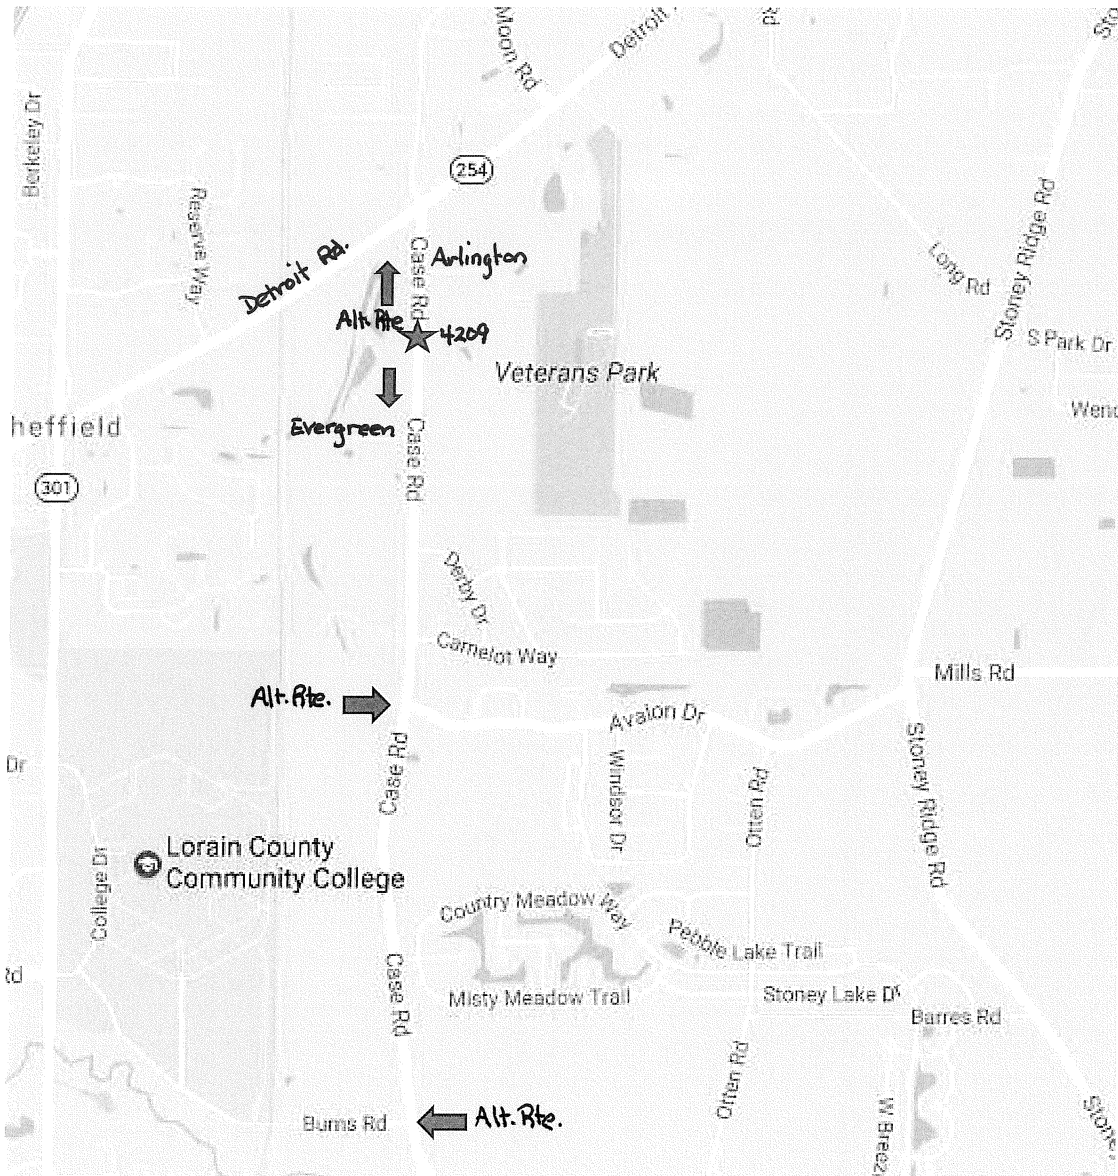

SUBJECT: Closing of Case Road on Tuesday, April 18, 2017

Please be aware that Case Road will be closed on Tuesday, April 18th, beginning at 9:00 a.m. for several hours, so that we can replace the water main and install a storm sewer across the roadway. As a result, some residents will be without water during construction.

Residents and/or motorists traveling on Case Road will temporarily need to be rerouted. Anyone who will be traveling Case Road North of address 4209 Case, will need to use Detroit Road as an alternate route to get in and out of the area. Anyone traveling Case Road South of address 4209 Case, will need to cut through Avalon or use Burns Road as an alternate route. (See attached map.)

We realize this is an inconvenience to all motorists who are planning to drive on Case Road during the construction period, but unfortunately these repairs must be done to fix the water main. If you have any questions pertaining to this closure, please feel free to contact me at 440-937-5766. Again, we apologize for the inconvenience and thank you for your cooperation as we make these necessary repairs.
