Director of Finance
City of Avon, Ohio

ORDINANCE NO. 61-18

AN ORDINANCE TO PROVIDE FOR THE ISSUANCE AND SALE OF MUNICIPAL RECREATION FACILITY NOTES, IN ANTICIPATION OF THE ISSUANCE OF BONDS OF THE CITY OF AVON, OHIO, IN A PRINCIPAL AMOUNT NOT TO EXCEED \$7,500,000 FOR THE PURPOSE OF PAYING THE COST OF CONSTRUCTING, RENOVATING, FURNISHING AND EQUIPPING MUNICIPAL RECREATION FACILITIES, AND DECLARING AN EMERGENCY.

WHEREAS, pursuant to Ordinance No. 98-14 passed August 4, 2014, the Council (“Council”) of the City of Avon, Ohio (the “City”) authorized and the City issued its Municipal Recreational Facility General Obligation Bond Anticipation Notes, Series 2014 in the principal amount of \$7,500,000 (the “2014 Notes”) in anticipation of the issuance of bonds, for the purpose of making certain improvements to municipal recreation facilities including (i) constructing, renovating, furnishing and equipping a municipal swimming pool near the intersection of State Route 83 and Detroit Road, including constructing roadways and utilities and other related improvements, together with all necessary appurtenances thereto, (ii) constructing additional entrances in and to Schwartz Park and Veterans Memorial Park, and (iii) paying the financing costs associated therewith; and

WHEREAS, Council found and determined that the City should retire the 2014 Notes and provide additional funds, including costs of issuance, and issued its Municipal Recreational Facility General Obligation Bond Anticipation Notes, Series 2015 in the principal amount of \$8,500,000 (the “2015 Notes”) in anticipation of the issuance of bonds for the above-described purposes, pursuant to Ordinance Nos. 104-15 and 107-15 each passed August 10, 2015; and

WHEREAS, Council found and determined that the City should retire the 2015 Notes and issued its Municipal Recreation Facility General Obligation Bond Anticipation Notes, Series 2016 in the principal amount of \$8,000,000 (the “2016 Notes”) in anticipation of the issuance of bonds for the above-described purposes, pursuant to Ordinance No. 86-16 passed August 9, 2016; and

WHEREAS, Council found and determined that the City should retire the 2016 Notes and issued its Municipal Recreation Facility General Obligation Bond Anticipation Notes, Series 2017 in the principal amount of \$7,500,000 (the “2017 Notes”) in anticipation of the issuance of bonds for the above-described purposes, pursuant to Ordinance No. 78-17 passed August 14, 2017; and

WHEREAS, this Council hereby determines that the City should retire the 2017 Notes with the proceeds of notes described in Section 3 below, together with other funds of the City (the “Notes”); and

WHEREAS, the Director of Finance of the City (the “Director of Finance”), as fiscal officer, has certified to this Council that the estimated life of the improvements hereinafter described is at least five (5) years and has further certified that the maximum maturity of the bonds in anticipation of which the Notes will be issued is thirty (30) years and that the maximum

maturity of notes issued in anticipation of said bonds is twenty (20) years from the date of issuance of the notes originally issued for the improvements;

NOW, THEREFORE, BE IT ORDAINED by the Council that:

Section 1. It is hereby declared necessary to issue bonds of the City in an aggregate principal amount not to exceed \$7,500,000 for the following purposes: (i) to pay the cost of constructing, renovating, furnishing and equipping a municipal recreation facility consisting of a municipal swimming pool near the intersection of State Route 83 and Detroit Road, including constructing roadways and utilities and other related improvements, together with all necessary appurtenances thereto, (ii) to pay the cost of constructing additional entrances in and to municipal recreation facilities consisting of Schwartz Park and Veterans Memorial Park, and (iii) to pay the financing costs associated therewith.

Section 2. The bonds shall be dated approximately September 1, 2019, shall bear interest at the now estimated rate of four per centum (4%) per annum as determined by the Director of Finance to be in the best interest of the City, payable semi-annually until the principal sum is paid, and shall mature in thirty (30) annual installments after their issuance.

Section 3. It is hereby determined that notes (the "Notes") in a principal amount not to exceed \$7,500,000 shall be issued in anticipation of the issuance of bonds for the above-described purposes. The Notes shall be sold at private sale as provided in Section 5 hereof and shall be in the aggregate principal amount and shall bear interest at the rate fixed by the Director of Finance in the Final Terms Certificate authorized by Section 5 hereof, provided that such rate shall not exceed four per centum (4%) per annum. Interest on the Notes shall be payable at maturity. The Notes shall be dated their date of issuance and shall mature on a date that is between three months and one year, inclusive, from their date of issuance, all as determined by the Director of Finance in the Final Terms Certificate. The Notes shall not be subject to redemption by the City at any time prior to maturity, unless the Original Purchaser requests that the Notes provide for such redemption, in which case provision shall be made for calling the Notes for redemption upon ten (10) days' written notice to the Paying Agent (as defined below) for the Notes or to the Original Purchaser if the Director of Finance is the Paying Agent. In addition, the Notes shall be issued in the numbers and denominations requested by the Original Purchaser, shall be payable as to both principal and interest at the office of the Director of Finance, or at a bank or trust company designated by the Director of Finance (herein individually or collectively the "Paying Agent"), without deduction for exchange, collection or service charge; and shall be payable in lawful money of the United States of America. To the extent that at the maturity of the Notes funds of the City are not available in an amount sufficient to retire the Notes, the Council of the City shall pass legislation authorizing the issuance of notes or bonds, the proceeds of which shall be used to retire said Notes.

Section 4. The Notes shall be issued in one or more separate issues of tax-exempt notes and shall be designated "Municipal Recreation Facility General Obligation Bond Anticipation Notes, Series 2018" with appropriate subseries designations as necessary. The Notes shall state the purpose for which they are issued and that they are issued pursuant to this ordinance; shall be issued in such numbers and denominations as may be requested by the Original Purchaser; and shall be executed by the Mayor and the Director of Finance of the City, provided that such

signatures may be facsimile signatures.

The Notes, pursuant to the terms set forth below, may also be issued to a Depository (as hereinafter defined) for use in a book-entry system (as hereinafter defined). The Director of Finance is hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the authentication, immobilization, and transfer of Notes, including arrangements for the payment of principal and interest by wire transfer, after determining that the execution thereof will not endanger the funds or securities of the City, which determination shall be conclusively evidenced by the signing of any such agreement.

If and as long as a book-entry system is utilized, (i) the Notes shall be issued in the form of one note in the name of the Depository or its nominee, as owner, and immobilized in the custody of the Depository; (ii) the beneficial owners in book-entry form shall have no right to receive Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book-entry form shall be shown by a book entry on the system maintained and operated by the Depository and its Participants (as hereinafter defined), and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the Council of the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book-entry system, the Director of Finance may attempt to have established a securities depository/book-entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements he deems necessary, shall permit withdrawal of the Notes from the Depository, and authenticate and deliver note certificates in bearer or registered form, as he determines, to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of Council action or inaction, of those persons requesting such issuance.

As used in this Section and this ordinance:

“Book-entry form” or “book-entry system” means a form or system under which (i) the beneficial right to principal and interest may be transferred only through a book entry and (ii) physical notes are issued only to a Depository or its nominee as owner, with the Notes “immobilized” to the custody of the Depository, and the book entry is the record that identifies the owners of beneficial interests in that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining a book-entry system to record beneficial ownership of the right to principal and interest, and to effect transfers of Notes, in book-entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book-entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

Section 5. The Notes shall be sold at a private sale to Fifth Third Securities, Inc. (the “Original Purchaser”) at a purchase price not less than 97% of their principal amount, at an interest rate and for a purchase price determined by the Director of Finance to be in the best interest of the City and as designated by the Director of Finance in the Final Terms Certificate in accordance with law and the provisions of this ordinance. The Director of Finance shall sign the Final Terms Certificate evidencing that sale to the Original Purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the Original Purchaser, to the Original Purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Law Director, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this ordinance. The services of Calfee, Halter & Griswold LLP, Bond Attorneys, Cleveland, Ohio, as Bond Counsel for the Notes are hereby retained. The proceeds of such sale shall be paid into the proper fund and used for the purpose for which the Notes are being issued under the provisions of this ordinance and to pay those costs set forth in Section 133.15, Ohio Revised Code, and any such costs which are future financing costs may be paid from the same sources from which the principal of and interest on the Notes are paid. Any premium and accrued interest received by the City shall be transferred to the City’s Bond Retirement Fund to be applied to the payment of the principal of and interest on the Notes in the manner provided by law.

The Director of Finance is hereby authorized, if he determines it to be in the best interests of the City, to retain the services of a qualified financial advisor in connection with the issuance of the Notes.

If, in the judgment of the Director of Finance, a preliminary official statement of the City relating to the original issuance of the Notes, is in the best interest of the City, such a preliminary official statement is hereby authorized to be distributed. The Mayor and the Director of Finance, and either one of them, are authorized and directed to complete and sign, on behalf of the City and in their official capacities, an official statement, with such modifications, changes and supplements from the preliminary official statement as those officers or any one of them shall approve or authorize. Those officers are authorized, on behalf of the City and in their official capacities, to (i) determine, and to certify or otherwise represent, when the official statement is "deemed final" (except for permitted omissions) by the City as of its date or is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4), (ii) use and distribute, or authorize the use and distribution of, those official statements and any supplements thereto in connection with the original issuance of the Note, and (iii) complete and sign those official statements as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of those official statements.

If, in the judgment of the Director of Finance, the filing of an application for a rating on the Notes by one or more nationally-recognized rating agencies is in the best interest of and

financially advantageous to the City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Section 6. The City covenants that it will restrict the use of the proceeds of the Notes in such manner and to such extent, if any, as may be necessary so that the Notes will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”). The Director of Finance of the City, as the fiscal officer, or any other officer of the City, including the Clerk, having responsibility for the issuance of the Notes shall give an appropriate certificate of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances, and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of interest on the Notes.

The City covenants that (a) it will take or cause to be taken such actions which may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, and (b) it will not take or permit to be taken any actions which would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely rebate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. The Director of Finance and other appropriate officers of the City are hereby authorized and directed to take any and all actions, make calculations and rebate payments, and take or give reports and certifications as may be appropriate to assure such exclusion of that interest.

Section 7. If requested by the Original Purchaser, the Director of Finance is authorized and directed to execute a continuing disclosure certificate (the “Disclosure Certificate”) dated the date of delivery of the Notes and delivered to the Original Purchaser for the benefit of the holders of the Notes (the “Noteholders”) and to assist the Original Purchaser in complying with S.E.C. Rule 15c2-12(b)(5), which Disclosure Certificate shall set forth the City’s undertaking to provide annual reports and notices of certain events as may be required. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Disclosure Certificate. Failure of the City to comply with the Disclosure Certificate shall not be considered an event of default; however, any Noteholder may take such actions as may be necessary and appropriate to cause the City to comply with its obligations under this Section.

Section 8. The Notes shall be full general obligations of the City and the full faith and credit of the City are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the bonds anticipated by the Notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used only for the retirement of the Notes at maturity, together with the interest thereon, and is hereby pledged for such purpose.

Section 9. During the years that the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually at the rate not less than that which would have been levied if bonds had been issued without the prior issuance of the Notes. This tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes of each of said years are certified, extended or collected. In addition, this tax shall be placed before and in preference to all items and for the full amount thereof. The funds derived from the tax levies hereby required shall be placed in a separate and distinct fund which, together with the interest collected on the same, shall be irrevocably pledged for the payment of the principal of and interest on the Notes or the bonds in anticipation of which they are issued, when and as the same fall due.

Section 10. While the Notes are outstanding, the City hereby covenants to appropriate annually, to the extent required, sufficient amounts from municipal income tax revenues to pay principal and interest on the Notes when the same fall due, and to continue to levy and collect the municipal income tax in an amount necessary to meet debt charges on the Notes. On or before the maturity date of the Notes, the City covenants to deposit into the Bond Retirement Fund, from available funds appropriated for the purpose, an amount necessary to meet any shortfall that may exist between the amount then available in the Bond Retirement Fund and the amount of principal and interest due at maturity of the Notes.

Section 11. The City may participate in the Ohio Market Access Program (the “Program”) which is offered through the Treasurer of the State of Ohio (the “Treasurer of State”), provided that the Director of Finance (a) determines in the Final Terms Certificate that participation in the Program is in the best interest of the City, and (b) elects in the Final Terms Certificate to participate in the Program.

Section 12. The Standby Note Purchase Agreement required as part of the Program is hereby authorized in the form presented to this Council with such changes not materially adverse to the City as may be approved by the officers of the City executing the Standby Note Purchase Agreement. The City acknowledges the agreement of the Treasurer of State in the Standby Note Purchase Agreement that, in the event the City is unable to repay the principal amount and accrued and unpaid interest of the Notes at their maturity, whether through its own funds or through the issuance of other obligations of the City, the Treasurer of State agrees (a) to purchase the Notes from the holders or beneficial owners thereof upon their presentation to the Treasurer of State for such purchase at a price of par plus accrued interest to maturity or (b) to purchase renewal notes of the City in a principal amount not greater than the principal amount of the Notes plus interest due at maturity, with such renewal notes bearing interest at a rate of the lower of the maximum interest rate provided by law or the 1-year MMD (Municipal Market Data) Index for “AAA”-rated obligations plus 400 basis points (or such other rate methodology in effect as part of the Program), maturing not more than one year after the date of their issuance, and being prepayable at any time with 30 days’ notice, provided that in connection with the Treasurer of State’s purchase of such renewal notes the City shall deliver to the Treasurer of State an unqualified opinion of nationally recognized bond counsel that (i) such renewal notes are the legal, valid and binding general obligations of the City, and the principal of and interest on such renewal notes, unless paid from other sources, are to be paid from the proceeds of the levy of ad

valorem taxes within the ten-mill limitation imposed by law on all property subject to ad valorem taxes levied by the City and (ii) interest on the renewal notes is excluded from gross income for federal income tax purposes under Section 103 of the Code to the same extent that interest on the Notes is so excluded.

The Mayor and the Director of Finance, as the officers signing the Notes, are authorized to take all actions that may in their judgment reasonably be necessary to provide for the Standby Note Purchase Agreement, including but not limited to the inclusion of a notation on the form of the Notes providing notice to the Holders or beneficial owners of the existence of the Standby Note Purchase Agreement and providing instructions to such Holders or beneficial owners regarding the presentation of the Notes for purchase by the Treasurer of State at stated maturity.

In addition, the City acknowledges that the Treasurer of State will establish an “After Maturity Interest Rate,” as generally provided for as part of the Program and as specifically provided for within the Standby Note Purchase Agreement.

Section 13. It is hereby determined and recited that all acts, conditions and things necessary to be done precedent to and in the issuing of the Notes in order to make them legal, valid and binding obligations of the City, will have been done and performed in regular and due form as required by law; and that no limitation of indebtedness or taxation, either statutory or constitutional, will have been exceeded in the issuance of the Notes.

Section 14. The Clerk of Council is hereby directed to forward a certified copy of this ordinance to the County Auditor of Lorain County and to secure a receipt therefor.

Section 15. The Mayor, Director of Finance, Law Director and the Clerk of Council, as appropriate, are each authorized and directed to prepare, execute and deliver any transcript certificates, financial statements and other documents, agreements, representations and instruments and to take such actions as are necessary or appropriate to consummate the issuance of the Notes as provided in this ordinance.

Section 16. It is found and determined that all formal actions of this Council concerning and relating to the passage of this ordinance were adopted in an open meeting of this Council, and that all such deliberations of this Council and any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements, including the City’s Charter, Codified Ordinances and any applicable provisions of Section 121.22 of the Ohio Revised Code.

Section 17. This ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, safety and welfare of the City, the immediate emergency being the necessity for the issuance and sale of the Notes to enable the City to retire the 2017 Notes at maturity and thereby preserve the City's credit; therefore, this ordinance shall be in full force and effect immediately upon passage of Council by the required three-fourths majority and approval by the Mayor.
